Attention: Emma Best

Dear Ms. Best:

The California Highway Patrol (CHP), Office of Community Outreach and Media Relations (COMR) received your California Public Records Act (CPRA) request, received by this office on June 21, 2019. On July 1, 2019, COMR extended its 10-day response timeframe by an additional 14 days, as authorized by Government Code Section 6253(c)(1).

In your request you asked for the following, verbatim:

Records mentioning, describing or generated as a result of the 8 May 2015 Roll Call Release IA-0181-15 (which was designed to be shared widely with law enforcement) from the Department of Homeland Security's Office of intelligence and Analysis (I&A) in conjunction with the Federal Bureau of Investigation, titled "Criminal Hackers Target Police to Protest Perceived Injustices," as well as records otherwise responding or reacting to the issues raised in it.

After a thorough and complete search, the Department has determined it does not possess any records responsive to your request.

If you have any questions or if you need additional information, please contact this office at (916) 843-3310.

Sincerely,

A handwritten signature in blue ink that reads "F. Clader".
